

Biomes

Divide and conquer

Make a one page brochure of your Biome including this information:

- Brief description and representative picture
- Representative plants and animals. At least one organism from each trophic level (producer, primary consumer, secondary consumer and tertiary consumer.)
- Average rainfall and temperature
- Places in the world
- Interesting facts unique to this Biome

Save your files as: Your Biome's name_ Lastname_firstname

Upload your brochure into: teacher.msjohnsongwhs.wikispaces.com

Biome Groups
